**IN THE UNITED STATES PATENT AND TRADEMARK OFFICE
BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD**

In the Matter of Application Serial No. 85/632,326

For the Mark: CANVAS

Filed: May 22, 2012

Published in the Official Gazette on: June 2, 2015

Canvas X Software, Inc.

Opposer,

V.

Instructure, Inc.

Applicant.

Opposition No.

NOTICE OF OPPOSITION

Opposer, Canvas X Software, Inc. (“Opposer”), is a Florida corporation with a business address located at 2412 Marlene Drive, Victoria, BC V9B 4L5, Canada. Opposer believes that it will be damaged by the issuance of a registration for the trademark CANVAS (“Applicant’s Mark”) as applied for by Instructure, Inc. (“Applicant”) in Application Serial No. 85/632,326 (the “Application”) identified above. Accordingly, Opposer hereby opposes registration of Applicant’s Mark and requests that the registration of the Application be refused.

As grounds in support of its opposition, Opposer asserts as follows:

1. Opposer is in the business of providing:

Computer software for use in graphic design, desktop publishing, digital and electronic publishing, for preparing audiovisual materials in support of presentations, printing, preparing graphics, typesetting, preparing artistic, technical and scientific drawings

and annotations, creating fonts, typefaces, and special graphical and textual effects; computer software for viewing, creating and manipulating graphic images on a computer; computer software containing clip art, and typefaces; and user's manuals and instructional books sold as a unit therewith ("Opposer's Goods").

2. Opposer, since at least as early as May 1987 and long prior to Applicant's 1(b) intent-to-use Application filing date, has used CANVAS ("Opposer's Mark") as a trademark in connection with its marketing and promotion of Opposer's Goods.

3. Opposer is the owner of Registration No. 3,167,343 for use of Opposer's Mark with Opposer's Goods in Class 9 ("Opposer's Registration"). Opposer's Registration is valid, subsisting, unrevoked and uncanceled. A true and correct copy of a printout of Opposer's Registration from the U.S. Patent and Trademark Office's ("USPTO") Trademark Status & Document Retrieval ("TSDR") system is attached hereto as Exhibit A.

4. Opposer's Mark is an invented, fanciful mark that is highly distinctive. Opposer's Mark has no descriptive meaning as applied to the marketplace, or to any of the goods and services covered by the Opposer's Registration or in connection with which it uses Opposer's Mark.

5. Opposer has expended considerable effort and expense in promoting Opposer's Mark and Opposer's Goods offered in connection with Opposer's Mark, both in the United States and internationally.

6. On June 2, 2015, Applicant filed the Application requesting registration of Applicant's Mark for use in connection with the following services:

Application service provider (ASP) featuring software to enable uploading, posting, showing, displaying, tagging, blogging, sharing or otherwise providing electronic media or information over the Internet or other communications network.

The Application was assigned Ser. No. 85/632,326. A true and correct copy of a printout of Applicant's Application from the USPTO's TSDR system is attached hereto as Exhibit B.

7. Opposer is not affiliated or connected with Applicant or its services; nor has Opposer endorsed or sponsored Applicant or its services, or consented to Applicant's registration or use of Applicant's Mark.

8. Applicant's Mark is identical to Opposer's Mark and, when applied to the services set forth in Applicant's Application, is likely to cause confusion, mistake or deception within the meaning of Section 2(d) of the Trademark Act. Opposer has no control over the nature and quality of the services offered by Applicant under the identical Applicant's Mark, and Opposer's reputation and goodwill will be damaged and the value of Opposer's Mark jeopardized by Applicant's registration and use of Applicant's Mark.

9. On June 29, 2015, Opposer filed and was granted a request for a 90-day extension of time to oppose the Application for Applicant's Mark until September 30, 2015; on September 28, 2015, Opposer filed and was granted a second request for a 90-day extension of time to oppose Applicant's Application until November 29, 2015.

WHEREFORE, Opposer prays that the opposition be sustained, that registration to Applicant be refused, and for such other and further relief as may be deemed to be just and proper.
